Help us help Detroit's Louis Pasteur Elementary You could win \$100!

You know those bottles of shampoo and soap that you take from hotels and stash in your bathroom? Bring them to a Budget Storage facility and we'll donate them to Louis Pasteur Elementary in Detroit then enter your name in a drawing to win a \$100 Visa gift card!

It's a win, win!

The Louis Pasteur Elementary School in Detroit has an Alumni Association made up of people who attended school there and now are committed to helping the current student body. They provide scholarships, mentoring and additional support. Each year they also collect donations of household items for the children and their families. Among the items that they can always use are hygiene products.

"We are so grateful for the donations we receive," said Marcy Feldman, Pasteur Elementary Alumni Association President. "Our students and their families are always in need of these products and any help we can get is greatly appreciated," she added.

To help, the Budget Storage facilities set out collection boxes in the offices. Each time you bring in a donation, be sure to fill out a contest form. On July 31 we'll draw one winner from each Budget

Storage facility to win a \$100 Visa gift card! We encourage you to enter often. Each item you donate qualifies you to enter the contest.

All donated products must be unopened and in their original container. Acceptable personal hygiene products include bar soap, shampoo, conditioner, body wash, hand soap, mouthwash, deodorant, combs, brushes or body lotion. Donations can even be the small bottles of shampoo, conditioner and body lotion from hotel visits.

We hope that our customers and friends will take advantage of this program and help us help the students of Pasteur Elementary School!

We our Customers Contest

Our customers mean everything to us and we realize that without you, we wouldn't have anything to store, our trucks and trailers would just fill up parking spaces and we would be lonely!

To say thanks, we're awarding one customer each month with a \$50 Visa gift card! Just put your contact information in one of our fishbowls. We'll randomly choose one customer each month. The next winner could be you!
